1. Multimedia News Content Creator

Open Positions:	2 Slots Available	Primary Platform:	SwitSalone.com channels & Clients
Employment Type:	Full-Time	Application Contact:	augustine@vrmarketing.com

ABOUT THE ROLE

VR&C Marketing is seeking two dynamic, highly versatile Multimedia News Content Creators to serve as the foundational editorial backbone for SwitSalone.com while providing PR and strategic communications support across VR&C Marketing's client portfolio.

KEY RESPONSIBILITIES

- **News & Feature Reporting:** Research, pitch, draft, and publish engaging news articles, blog posts, and features for SweetSalone.com.
- **Social Media & Short-Form Video:** Conceptualize, script, film, and edit digital video content tailored for social media platforms (Facebook, X, TikTok, Instagram Reels, YouTube Shorts, etc.).
- **Interviewing & Coverage:** Conduct in-depth interviews for print/written features as well as broadcast/social media video segments.
- **Event Coverage:** Provide dynamic live, on-the-ground coverage of high-profile local events, press launches, and community developments.
- **PR & Communications Support:** Assist VR&C Marketing in executing client PR campaigns, drafting press releases, and managing external communications.

QUALIFICATIONS & KEY COMPETENCIES

- **Experience:** Proven background in journalism, media production, digital content creation, or corporate PR.
- **Editorial Skills:** Strong writing, editing, and storytelling skills with high attention to detail.
- **Software Proficiency:** Hands-on experience with video editing tools (e.g., Premiere Pro, CapCut, Final Cut) and content creation apps.
- **On-Camera Presence:** Confidence on camera and experience conducting field and studio interviews.

- **Agility:** Ability to thrive under fast turnaround times and cover breaking stories or events.

2. Video / Multimedia Producer

Open Positions:	1 Slot Available	Primary Location:	Sierra Leone (In-Field Travel)
Employment Type:	Full-Time	Application Contact:	augustine@vrmcmarketing.com

ABOUT THE ROLE

VR&C Marketing is seeking a hands-on, highly adaptable Video / Multimedia Producer to directly support the Head of Multimedia Production. This role drives end-to-end documentary photo and video production, field storytelling, and corporate client communications. The candidate must be comfortable traveling locally within Sierra Leone—including remote villages and last-mile communities—often on short notice.

KEY RESPONSIBILITIES

- **End-to-End Production:** Independently shoot, frame, and edit videos for documentary projects, corporate communications, and client marketing initiatives.
- **Documentary & Portrait Photography:** Capture professional-grade documentary photography and portraits in studio and remote field settings.
- **Pre-Production & Logistics:** Manage technical production checklists, equipment inventory, mood boards, interview frame setup, and script development.
- **Field & Remote Travel:** Willingness and availability to deploy quickly across Sierra Leone (with turnaround times as short as 24–48 hours) to cover stories in last-mile communities.
- **Interview & Client Execution:** Conduct on-location interviews and respond swiftly to internal and external multimedia production demands.

QUALIFICATIONS & TECHNICAL SKILLS

- **Technical Production:** Solid, demonstrated production skills in camera operation, lighting, audio setup, and field shooting.
- **Editing Software:** Proficiency in non-linear video editing software, specifically Adobe Creative Cloud (Adobe Premiere Pro).
- **Equipment & Logistics:** Proven organizational discipline: tracking production gear, preparing inventory checklists, and structuring post-production assets.
- **Field Readiness:** High mobility, resilience, and flexibility to travel to remote locations on tight schedules.
- **Communication:** Strong interpersonal skills to conduct interviews and collaborate effectively with production leads and clients.

How to Apply
